(q) "Record" or "Recording" refers to the record or recording in the Office of the Register of Deeds in Davidson County, Tennessee.

(r) "Unit" means an enclosed space consisting of one or more rooms occupying all or part of a floor or floors in the Buildings, which enclosed space is not owned in common with the Unit Owners of other Units. Each Unit is numbered as shown on the Plat, and the boundaries of each Unit shall be and are the interior surfaces of its perimeter walls, floor and ceilings. A Unit includes both the portion of the Buildings so described and the air space so encompassed, excepting Common Elements. Any Unit may be jointly or commonly owned by more than one Person. It is intended that the term "Unit" as used in this Deed shall have the same meaning as the term "apartment" as used in the Act.

(s) "Unit Owner" means, collectively if more than one, the Person or Persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit and the undivided interest in the Common Elements appurtenant thereto, and such term shall be deemed to have the same meaning as the term "co-owner" as used in the Act. Unless specifically provided otherwise herein, Developer shall be deemed a Unit Owner so long as it is the legal title holder of any Unit.

2. Submission of Property to the Act. Developer, as the legal title holder in fee simple of the Property, expressly intends to, and by recording this Deed does hereby, submit and subject the Parcel and the rest of the Property to the provisions of the Act pursuant to the terms hereof. The Property shall be known and may be referred to collectively as "The Westbury Condominiums."

3. Plat. The Plat, which is incorporated herein by this reference thereto, sets forth the numbers, areas, locations and other data required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number or symbol of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number or symbol as shown on the Plat, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. (a) Association of Unit Owners and Administration and Operation of the Property. The Association, which has been or will be incorporated, shall be the governing body for all of the Unit Owners, for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act, this Deed and the By-Laws. The By-Laws for the Association shall be the By-Laws attached to this Deed as Exhibit B and made a part hereof. The Board shall be elected and shall serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of the Unit Owners in accordance with the provisions of the Act, this Deed and the By-Laws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be equal to the number of Units.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (sometimes herein referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (c), below. The cost of such services shall be a common expense, as defined in paragraph 10, below.

(c) Initial Management Agreement. The first Board, appointed as provided in the By-Laws, shall have the authority, but not the obligation, to ratify and approve any management agreement between Developer, on behalf of the Association, and a management entity, which shall be determined in the Board's sole discretion. Such management agreement, if any, shall contain such terms as the Board shall determine are appropriate.

(d) Use by Developer. During the period of sale by Developer of any Units, Developer and Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access and ingress to and egress from the Property as may be required for purposes of said sale of Units. While Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may rent, lease, use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may rent, lease or use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of the Directors, Board, Officers, and Developer. Neither the Board, the individual members thereof, the officers of the Association nor Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Board, members, officers or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the Board, its members, such officers and Developer, and their respective heirs, executors, administrators, successors and assigns, in accordance with the provisions of Article VII of the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Deed or the By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. Ownership of the Common Elements. Each Unit Owner shall be entitled to the percentage of undivided ownership in the Common Elements allocated to the respective Unit owned by such Unit Owner, as set forth in Exhibit D hereto. The percentages of ownership interests set forth in Exhibit D shall remain constant unless hereafter changed by recorded amendment to this Deed consented to in writing by the Unit Owners, in accordance with Paragraph 21, below. Said ownership interests in the Common Elements shall be undivided interests, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit. Such Common Elements are not and shall not be the subject of any partition action.

8. Use of the Common Elements and Allocated Parking Spaces. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access and ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agents, customers, guests, visitors, invitees and licensees. Each Unit Owner also shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including Limited Common Elements, shall be subject to and governed by the provisions of the Act, this Deed, the By-Laws and the rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Deed and the By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

The lawful Occupant of each Unit shall have the right to the exclusive use and possession of the Allocated Parking Space(s) serving such Unit. Such right to use the Allocated Parking Space(s) shall be subject to and governed by the provisions of the Act, this Deed, the By-Laws and the rules and

regulations of the Association. The Allocated Parking Space(s) corresponding to any Unit shall be deemed conveyed or encumbered with that Unit as an inseparable appurtenance thereto, even though the legal description in the instrument conveying or encumbering such Unit may refer only to such Unit, and the Allocated Parking Space(s) shall not be conveyed or encumbered separately from the Unit served thereby. Such Allocated Parking Space(s) shall not be the subject of any partition action.

Parking spaces, other than Allocated Parking Spaces, within the Parcel shall be part of the Common Elements, and may be allocated and re-allocated, from time to time, to the respective Unit Owners, and shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe, and parking spaces not so used by Unit Owners may be rented or otherwise used in such manner as the Board may prescribe.

9. Storage Areas. The storage areas on the Property, except those inside the Units and those that are Limited Common Elements, shall be part of the Common Elements and shall be allocated and re-allocated, from time to time, to the respective Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe, and storage areas not so allocated may be rented in such manner as the Board may prescribe.

10. (a) Common Expenses. Each Unit Owner, including Developer (so long as Developer is a Unit Owner), shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in accordance with this Deed and the By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair of the Common Elements and any and all replacements and additions thereto. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his percentage of ownership in the Common Elements; provided, however, that any such expenses with respect to Limited Common Elements shall be borne by the Unit Owners to whose Units such Limited Common Elements are appurtenant, in accordance with such Unit Owners' percentage of ownership interest therein. Payment of common expenses, including any prepayment thereof required by a contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver of the use or enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of common expenses when due,

the amount thereof, together with interest thereon at the rate of twelve percent (12%) per annum from the date that said common expenses become due and payable, plus reasonable attorney's fees incurred by the Association in the collection thereof or the enforcement of the lien herein provided, shall constitute a lien on the interest of such Unit Owner in his Unit and in the Property as provided in the Act. The sale or conveyance of a Unit shall in all cases be subject to all unpaid assessments against the Unit Owner thereof for his pro rata share in the common expenses, and if the same are not paid by the owner thereof prior to any sale or conveyance, shall be a lien against the Unit and shall be payable by the new Unit Owner thereof. Likewise, all taxes and other levies and assessments by governmental taxing bodies shall be a lien against individual Units.

Notwithstanding the foregoing, Developer shall not be required to pay any assessments for common expenses in respect of Units owned by it until such time as deeds for at least fourteen (14) of the Units have been delivered; provided, however, that subsequent to the date of Recording of this Deed but prior to the delivery of deeds for at least fourteen (14) of the Units as aforesaid, Developer shall fund any deficit in the operations of the Association after application of available funds from assessments for common expenses in respect of Units previously sold. After the delivery of deeds for at least fourteen (14) of the Units as aforesaid, Developer shall have no responsibility for the maintenance, repair or replacement of any of the Common Elements except for its responsibilities as a Unit Owner as provided herein; however, should Developer advance any of its own funds for such expenses, it shall be entitled to a credit for all sums so paid against the assessments that it is required to pay as a Unit Owner.

(b) Grant of Lien. FOR AND IN CONSIDERATION OF the premises recited above and the privileges, protections, mutual enjoyment and use of the Common Elements and the rest of the Property, the receipt of which is hereby acknowledged, and any assumption of the obligations by transferees as required hereunder, and to secure the payment of said common expenses, principal, interest and attorney's fees, a lien is expressly retained in favor of the Association on each and every Unit Owner's Unit and pro rata interest in the Common Elements.

(c) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses that become due and payable from and after the date on which the mortgagee or

beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subparagraph (c) shall not be amended, changed, modified or rescinded without the prior written consent of all such mortgagees and beneficiaries whose respective interests appear of Record.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions hereof, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to grant, make or create, or cause to be granted, made or created, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of his own Unit and the respective percentage interest in the Common Elements corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance. The Board shall have the authority to and shall obtain insurance for the Property, exclusive of the additions within, improvements to and decorating of the Units or Limited Common Elements by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Property, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements (including without limitation the Limited Common Elements), the Units and/or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for each of the Unit Owners in direct proportion to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in this Deed, and for the holders of mortgages on his Unit, if any. The policy of insurance shall also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums

for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements.

In the event of damage to or destruction of all or any part of the Buildings as a result of fire or other casualty covered by insurance maintained by the Board pursuant hereto (unless more than two-thirds of such Buildings require reconstruction), the Board shall, in its sole and absolute discretion, determine, and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance proceeds are insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in proportion to each such Unit Owner's percentage of ownership in the Common Elements. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant or any other personal property located on the Property owned by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board. The Board in its sole discretion shall determine which Unit Owners are directly affected by the damage.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and Common Elements are destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners, the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements; and the Board, as soon as is reasonably practicable and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Deed, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and of all insurance policies shall thereupon be distributed to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent or the Board shall, or if it does not, any Unit Owner or mortgagee may, record a sworn declaration setting forth such decision and reciting that

under the provisions of this Deed the prohibition against judicial partition provided for in this Deed has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Deed shall terminate.

Reconstruction also shall not be compulsory where the whole or more than two-thirds ($2/3$) of any one of the Buildings is destroyed, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners directly affected, the net proceeds of insurance policies shall be divided among all the Unit Owners directly affected by the casualty in proportion to their respective common interests as determined in the sole discretion of the Board, after paying from the share of such affected Unit Owner the just amount of any unpaid liens on his Unit, in the order of priority of such liens. Notwithstanding the foregoing, no such disbursement of the aforesaid insurance proceeds shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quit claiming his interest in his Unit or the affected portion thereof to the Association and also delivers to the Board a recordable release of any liens on his Unit or the affected portion thereof. Upon the recording of the aforesaid deeds and releases, each such Unit or affected portion thereof shall be deemed withdrawn and thereafter to be Common Elements. Upon the withdrawal of any Unit or portion thereof, the percentage interest in the Common Elements allocable to such Unit shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, as determined by the Board. After the Board has effected any such withdrawal, the responsibility for the payment of assessments for any such withdrawn Unit or portion thereof shall cease.

The Board also shall have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable (but in no event less than \$1,000,000.00), and worker's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, the mortgagee(s) of Record, if any, the Association, its officers, directors, Board and employees, Developer and any Managing Agent, from (i) liability in connection with the Common Elements, and (ii) liability arising out of legal proceedings relating to employment contracts to which the Association is a party (to the extent such insurance is reasonably available). The premiums for such insurance shall be a common expense; however, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be

separately billed to each Unit Owner in proportionate amounts corresponding to such Unit Owner's percentage of ownership in the Common Elements. The Board shall retain in safe-keeping any such public liability policy for twenty-three (23) years after the expiration date of the policy.

The Board also shall have authority to and may obtain such other insurance and bonds as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was director or officer of the Association, or a member of any such committee. The premiums for such insurance and bonds shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the Limited Common Elements serving his Unit, as well as his additions and improvements thereto, all decorations, furnishings and personal property therein, and any personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit. Maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements within the Common Elements shall be part of the common expenses, subject to the provisions of this Deed, the By-Laws and the rules and regulations of the Association. The expenses for the maintenance of, repair to or replacement within a Unit's water heater, furnace, air conditioner, and heating and air conditioning ducts shall be borne by the Unit Owner(s) of the Unit(s) to which such items or Limited Common Elements are appurtenant, and at the discretion of the Board, maintenance of, repairs to and replacements within the other Limited Common Elements may be assessed in whole or in part to the Unit Owners benefitted thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefitted by such

maintenance of, repairs to and replacement(s) within the Limited Common Elements to arrange for such maintenance, repairs and replacement in the name and for the account of such benefitted Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and sub-contractor's sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom; provided, however, that if, in order to maintain, repair or replace the electrical wiring, plumbing or other utilities of a Unit, it shall become necessary to gain entry to another Unit, it shall be the responsibility of the Association to provide such maintenance, repair or replacement, but the cost of such maintenance, repair or replacement may be assessed to the Unit Owners benefitted thereby, as hereinabove provided.

If, due to the act or neglect of a Unit Owner, or of his agent, invitee or licensee, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required that would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacement, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representatives of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with any maintenance, repairs or replacements within the Common Elements, Limited Common Elements or any equipment, facilities or fixtures affecting or serving other Units, Common Elements and Limited Common Elements, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Except as provided in Paragraph 16 herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written consent of the Board. The Board may authorize and charge as common expenses alterations, additions and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner may make non-structural alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damages to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorations; Cleaning. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorations and cleaning within his own Unit and the Limited Common Elements serving his Unit, as may be required from time to time, including painting, wall papering, washing, cleaning, panelling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorations. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each such Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. Decorations of the Common Elements (other than interior surfaces within the Units as above provided and other than Limited Common Elements) and any redecoration of Units, to the extent such redecoration of Units is made necessary by damage to Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses. All windows and screens forming part of a perimeter wall of a Unit shall be cleaned and washed at the expense of the Unit Owner of that Unit.

17. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

18. Transfer of a Unit.

(a) Notice to Association of Certain Transfers. Whenever a Unit Owner, other than Developer, shall propose to sell, give, devise, lease or otherwise transfer his Unit, or any interest therein, to any Person other than a trustee of a trust of which the sole beneficiary is said Unit Owner, said Unit Owner shall give the Association not less than thirty (30) days prior written notice of the proposed transfer, which notice shall briefly describe the type of transfer proposed by the Unit Owner and shall state the name, address and financial and character references of the proposed transferee. The notice shall also include a copies of the proposed lease, contract for sale or other documents, if any, effecting said transfer.

(b) Limit on Term of Lease. No Unit, or interest therein, shall be leased by a Unit Owner for a term less than six (6) months. A copy of every such lease, as and when executed, shall be furnished to the Board. The lessee under every such lease shall be bound by and subject to all of the obligations, under this Deed and the By-Laws, of the Unit Owner making such lease and the lease expressly shall so provide. The Unit Owner making such lease shall not be relieved thereby from any of said obligations. Upon the expiration or termination of such lease, or in the event of any attempted subleasing thereunder, the provisions below with respect to the Association's right of first option shall again apply to said Unit.

(c) Association's Right to Purchase. The Board shall have the power and authority to bid for and purchase, for and on behalf of the Association, any Unit, or interest therein, that is offered for sale by the Unit Owner or pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of not less than sixty-six and two-thirds percent (66-2/3%) of the Unit Owners. Such consent shall set forth a maximum price that the Board or its duly authorized agent may bid and pay for said Unit.

(d) Financing of Purchase by Association. The Board shall have authority to make such mortgage arrangements and special assessments proportional among the respective Unit Owners, and such other financing arrangements, as the Board may deem desirable, in order to close and consummate the purchase of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased and the percentage interest in the Common Elements appurtenant thereto.

(f) Miscellaneous. (1) A transfer of a Unit, or interest therein, by or to the Board, Developer or the holder of any deed of trust or mortgage on a Unit that comes into possession of such Unit pursuant to remedies provided in such deed of trust or mortgage, or pursuant to foreclosure of such deed of trust or mortgage, or pursuant to a deed (or assignment) in lieu of foreclosure of such deed of trust or mortgage, shall not be subject to the provisions of subparagraph (a) of this Paragraph 18.

(2) The Association shall hold title to any Unit, pursuant to the terms hereof, in the name of the Association, or a nominee thereof designated by the Board, for the sole benefit of all Unit Owners. The Board shall have the

Article I. Office

Section 1. Principal Office. The principal office of the Association shall be maintained at 3737 West End Avenue, Nashville, Tennessee 37205.

Section 2. Place of Meetings. All meetings of the Association shall be held at its principal office unless some other place is stated in the call.

Article II. Association of Unit Owners

Section 1. Annual Meeting. The annual meeting of the Association (except for the first annual meeting) shall be held on the first Tuesday of the second calendar month following the close of the Association's fiscal year.

Section 2. Special Meetings. Special meetings may be held at any time upon the call of the President or upon the call of any three Unit Owners. Upon receipt of such call, the Secretary shall send out notices of the meeting to all members of the Association.

Section 3. Notice of Meetings. A written or printed notice of every meeting of the Association, stating whether it is an annual meeting or special meeting, the authority for the call of the meeting, the place, day and hour thereof and the

authority at any time to sell, lease or sublease said Unit on behalf of the Association upon such terms as the Board shall deem desirable, but in no event shall a Unit be sold for less than the amount paid by the Association to purchase said Unit unless not less than sixty-six and two-thirds percent (66-2/3%) of the Unit Owners first authorize the sale for such lesser amount.

(3) All notices referred to or required under this Paragraph 18 shall be given in the manner provided in this Deed for the giving of notices.

(4) The Board may adopt rules and regulations from time to time, not inconsistent with the provisions of this Paragraph 18, for the purpose of implementing and effectuating said provisions.

(5) In the event of any transfer of a Unit, or any interest therein, the transferee shall be jointly and severally liable with the transferor for all unpaid assessments of the transferor accrued and payable prior to the date of transfer.

19. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used for purposes other than for single family residences and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit or any two or more adjoining Units used together shall be used as a single family residence or for such other use permitted by this Deed, and for no other purpose. The foregoing restrictions as to residential use shall not be construed to prohibit a Unit Owner from: (a) maintaining his personal professional library within his Unit, (b) keeping his personal business or professional records or accounts within his Unit, or (c) handling his personal business or professional telephone calls or correspondence within his Unit; such uses being hereby expressly declared to be incident to the principal residential use and not in violation of said restrictions.

Subject to the approval of the Board, the part of the Common Elements separating and located between and exclusively serving two or more adjacent Units used together (including, without limitation, portions of any hallway and any walls) may be altered to afford ingress and egress to and from such Units and to afford privacy to the Occupants of such Units when using such Common Elements, and that part of the Common Elements so altered may be used by the Unit Owner or Owners of such Units as a licensee pursuant to a license agreement with the Association, provided that (a) the expense of making such alterations shall be paid in full by the Unit Owner or Owners

making such alteration, (b) such Unit Owner or Owners shall pay in full the expense of restoring such Common Elements to their condition prior to such alteration in the event such Units shall cease to be used together, as aforesaid, and (c) such alteration shall not interfere with use and enjoyment of the Common Elements (other than the aforesaid part of the Common Elements separating such adjacent units), including without limitation reasonable access and ingress to and egress from the other Units in the hallway affected by any such alteration.

The Common Elements shall be used only by the Unit Owners and their agents, customers, invitees and licensees for access and ingress to and egress from the respective Units and for such other purposes incidental to the ownership, use and enjoyment of the Units; provided, however, that receiving rooms, storage areas and other areas designed for a specific use shall be used only for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement presently in existence or hereafter entered into by the Board at some future time, affecting any part or all of said Common Elements.

20. Remedies. In the event of any violation of the provisions of the Act, this Deed, the By-Laws or the rules and regulations of the Board or the Association by any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit or any invitee or licensee thereof) the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies that may be provided for in the Act, this Deed, the By-Laws or said rules and regulations, or that may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or other Occupant for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of twelve percent (12%) per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Association shall have a lien for all of the same, as well as for non-payment of his respective share of the common expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of

his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses that become due and payable from and after the date on which the beneficiary of said mortgage or deed of trust either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or forecloses its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner and secured by the lien hereinabove provided. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of mortgage and deed of trust liens against Units whose respective interests appear of Record.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained shall give the Association, acting through the Board, the right, in addition to any other rights provided for in this Deed: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and summarily to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or the conduct of any other Occupant of his Unit or any invitee or licensee thereof) shall violate the Act, or any of the covenants, restrictions or provisions of this Deed or any of the rules and regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall

occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Unit Owner a notice in writing terminating the rights of the said defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Association, acting through the Board, against said defaulting Unit Owner for a decree of mandatory injunction against such defaulting Unit Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Unit Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all right, title and interest of said defaulting Unit Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of proceeding and sale, and all such items shall be taxed against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments or liens hereunder, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold, and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit ownership sold subject to this Deed.

21. Amendment. The provisions of this Deed may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by not less than sixty-six and two-thirds percent (66-2/3%) of the Unit Owners and acknowledged; provided, however, that all lien holders of Record shall have been notified by certified mail of such change, modification or rescission and an affidavit by the secretary of the Association certifying to such mailing shall be made a part of such instrument.

Notwithstanding the foregoing, if the Act, this Deed or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Deed, then any instrument changing, modifying or rescinding any provision of this Deed with respect to such action shall be signed by all Unit Owners or all lien holders

or both as required by the Act or this Deed. The change, modification or rescission, whether accomplished under either of the provisions of this Paragraph 21, shall be effective upon the Recording of such instrument; provided, however, that no provisions in this Deed may be changed, modified or rescinded so as to conflict with the provisions of the Act.

22. Notices. Notices provided for in the Act, this Deed or the By-Laws shall be in writing, and shall be addressed to the Association, the Board or any Unit Owner, as the case may be, at 3737 West End Avenue, Nashville, Tennessee 37205, or at such other address as hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgement of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Deed to be given to the Unit Owner or Owners whose Unit is subject to such mortgage or trust deed.

23. Severability. If any provision of this Deed or the By-Laws, or any section, sentence, clause, phrase or word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Deed and the By-Laws and the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Deed or the By-Laws shall be construed as if such invalid part was never included therein.

24. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of Elizabeth II, Queen of England.

25. Rights and Obligations. Each grantee of Developer, by the acceptance of a deed of conveyance with respect to any part of the Property, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges of, and the jurisdiction, rights and powers created or reserved by, this Deed. All future Unit Owners and Occupants

shall be subject to and shall comply with the provisions of this Deed. Any restrictions or rules in the By-Laws that are more than administrative in nature such as, but not limited to, reservations in favor of and future rights of Developer, are hereby incorporated into and made a part of this Deed by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in the Property, and shall inure to the benefit of such grantee in like manner as though the provisions of this Deed were recited and stipulated at length in each and every such deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws, as they may be amended from time to time. The acceptance of a deed of conveyance, devise of or lease to a Unit, or the entering into occupancy of any Unit, shall constitute an agreement that the provisions of the By-Laws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of this Deed, the By-Laws and the rules and regulations promulgated thereunder may be incorporated by reference in, and become part of, any agreement between any first mortgagee and any Unit Owner who enters into such agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Deed, the By-Laws or the said rules and regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

26. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Deed against such Unit. No claim shall be made against any

such titleholding trustee personally for payment of any lien or obligation created hereunder, and such trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

27. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractor(s) engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of each Unit's percentage of ownership in the Common Elements.

28. Rights Reserved. The Unit Owners' rights of enjoyment in the Common Elements shall be subject to:

(a) The right of the Association, as provided in its By-Laws, to suspend the enjoyment rights of any member in utilities, ingress and egress, and all other rights in the Common Elements for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of designated parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer, nor any determination as to the purposes or conditions thereof, shall be effective unless Developer (or its successors or assigns) and members of the Association entitled to cast 51% of the total votes of all classes of members entitled to vote thereon have approved such dedication, transfer, purpose or condition; and

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, enlarge or extend existing driveways, parking areas and yard and to construct, relocate, expand, modify, reduce, enlarge or extend sewers, utility lines or service connections in order to serve the existing Buildings; and

(e) The right of the Association to grant such licenses, permits, easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing, maintenance and operation of the Common Elements and the individual Units.

29. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

30. Gender and Number. The use of the masculine or neuter gender in this Deed and in the By-Laws shall be deemed to include the masculine, feminine and neuter gender whenever the context so requires, and the use of the singular shall be deemed to include the plural whenever the context so requires, and vice versa.

31. Special Provisions Relating to Allocation of Allocated Parking Spaces.

(a) The parking spaces in the basement of the Buildings numbered 1-35 on the Plat constitute parking spaces to be allocated by Developer as Allocated Parking Spaces as provided in this Deed.

(b) The space in the basement of the Buildings denominated as the space "Reserved By Developer" constitutes a part of the Common Elements, and may be used by the Unit Owners for any lawful purpose subject to the provisions of the Act, this Deed, the By-Laws and the rules and regulations of the Association; provided, however, that in the event that within twelve (12) months of the Recording of this Deed Developer obtains all required governmental approvals for such space to be used as automobile parking spaces, such space may, at Developer's option, be divided into individual automobile parking spaces in a manner satisfactory to Developer and allocated by Developer as Allocated Parking Spaces as provided in this Deed. In such event, and notwithstanding the provisions of Paragraph 21 hereof, Developer may execute, deliver and record such amendments to this Deed (including without limitation the Exhibits hereto) as are necessary and proper in order to reflect the foregoing without the joinder or consent of the Association, any Unit Owner(s) or any other Person(s).

(c) In the event that any of the areas referred to in subparagraphs (a) and (b) of this Paragraph 31 are not allocated as Allocated Parking Spaces by Developer within twelve (12) months of the date of Developer's conveyance of the last Unit owned by Developer to the initial purchaser thereof, any such unallocated space(s) thereafter shall not be subject to allocation by Developer as Allocated Parking Spaces, but shall constitute a part of the Common Elements and may be used by the Unit Owners for any lawful purpose subject to the provisions of the Act, this Deed, the By-Laws and the rules and regulations of the Association.

32. Special Provisions Relating to Allocation of Reserved Space.

(a) Each of the several parcels of space in the Buildings denominated on the Plat as "Reserved Space" shall be subject to allocation by Developer to one or more Units as an inseparable appurtenance thereto, to be used and enjoyed by the Unit Owner or other Occupant of such Unit for any lawful purpose subject to the provisions of the Act, this Deed, the By-Laws and the rules and regulations of the Association. Any Reserved Space so allocated shall be deemed conveyed or encumbered with the Unit to which allocated, even though the legal description in the instrument conveying or encumbering such Unit may refer only to such Unit, and the Reserved Space so allocated shall not be conveyed or encumbered separately from such Unit. Such allocated Reserved Space shall not be the subject of any partition action.

(b) Notwithstanding the provisions of Paragraph 21 hereof, Developer may execute, deliver and record such amendments to this Deed (including without limitation the Exhibits hereto) as are necessary and proper in order to reflect allocations made pursuant to subparagraph (a) of this Paragraph 32 without the joinder or consent of the Association, any Unit Owner(s) or any other Person(s).

(c) In the event that any of the Reserved Space is not allocated to Units as provided in subparagraph (a) of this Paragraph 32 within twelve (12) months of the date of Developer's conveyance of the last Unit owned by Developer to the initial purchaser thereof, any such unallocated Reserved Space thereafter shall not be subject to allocation by Developer as hereinabove provided, but shall constitute a part of the Common Elements and may be used by the Unit Owners for any lawful purpose subject to the provisions of the Act, this Deed, the By-Laws and the rules and regulations of the Association. Without limiting the foregoing, the Board may administer any such unallocated Reserved Space as storage areas in the manner set forth in Paragraph 9 hereof.
