Every Person hereafter acquiring a Lot or any portion of the Development, by acceptance of a deed thereof, shall accept such interest subject to the terms and conditions of this Declaration, and by acceptance of the same shall be deemed to have consented to and be bound by the terms, conditions and covenants of this Declaration.

ARTICLE III

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

1. Members. Every person who is an Owner of record of a fee interest in any Lot, which is included in the Development, shall be a Member of the Association. Membership in the Association is appurtenant to and may not be separated from ownership of any Lot.

2. Classes of Membership. The Association shall have two classes of membership:

a. Class A Members shall be all Owners except for the Developer prior to the termination of the Class B Membership. If, however, Developer owns one or more Lots upon or after the termination of its Class B Membership, then Developer shall become a Class A Member.

b. The Class B Member shall be the Developer, its successors or assigns. b. The Class B Member shall be entitled to a majority of votes until all lots and houses planned in Treemont Estates have been sold and closed to homeowners.

c. Any Member who is delinquent in the payment of any charges or assessments duly levied by the Association against a Lot owned by such Member shall not be entitled to vote until all such charges, together with reasonable penalties and interest thereon as the Board may impose, have been paid to the Association.

4. Manner of Voting. Except as specifically provided elsewhere herein, the Board shall have the authority to regulate the procedural rules governing the voting of

Members, the acceptance of proxies from Members, the validity of voice votes, ballot votes, or other manners of voting, and any regulation of the solicitation of votes or proxies.

(a) The Association is a non-profit Tennessee corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, By-Laws and this Declaration. Neither the Articles nor the By-Laws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. Any distribution of funds in connection with the condemnation of any part of the Common Area shall be made on a reasonable and equitable basis by the Board or by a special committee appointed by the Board for that purpose.

ARTICLE IV

Every owner in addition to a perpetual unrestricted right of ingress and egress to his own lot, which passes with title, shall have the right and easement of enjoyment in and to the Common Areas, which shall be appurtenant to and shall pass with the title to every lot, subject to the following provisions:

(a) The right of the Association to suspend the voting rights and right to use of the common amenities by an Owner for any period in which any assessment against his lot remains unpaid; and for a period not to exceed sixty (60) days after notice and hearing as may be provided for in the By-Laws or rules for an infraction of its published rules and regulations.

4. Land Use. No lot shall be used except for residential purposes.

ARTICLE V

ASSESSMENTS

1. Annual Assessments. The Board shall have the power and authority to levy annual assessments against the Lots within the Development. Annual Assessments shall be used to provide funds for such purposes as the Board shall determine to be for the benefit of the Development, including, without limitation, the improvement, maintenance, operation and security of the Development and Common Areas, payment of taxes and insurance thereon, payment of utility bills thereon (including water for sprinkler systems), payment of reasonable costs to provide attractive seasonable landscaping of the Common Areas, street maintenance costs, the repair, replacement and additions that may be necessary to the Common Areas and the cost of labor, equipment, materials, management and supervision thereof. The Board shall have the right, but not the obligation, to use the Annual Assessments to provide supplemental landscaping, maintenance within Lots, and to provide garbage and trash collection and disposal, if needed, to supplement that provided by public authority. The Board shall fix the amount of Annual Assessment each year by preparing an annual budget for the services to be provided by the Association in the coming year, and allocating said amount among the Lots equally.

2. Special Assessments. In addition to the Annual Assessments authorized herein, the Board may levy a Special Assessment applicable to a particular year, provided that any such Special Assessment shall have the affirmative Votes of not less than fifty percent (50%) of the total Votes within the Association at a meeting of all Members which shall be held after not less than five (5) days' written notice of the date, time and purpose for said meeting, at which a quorum shall be present. Special Assessments shall be due and payable on the date, which is fixed by the resolution authorizing such assessment.

3. Exempt Property. The Impositions and liens created under this Article shall not apply to the Common Areas. All property within the Development which is dedicated to and accepted by a local public authority, which is granted to or used by a utility company, or is designated as part of the Common Area shall be exempt from such Impositions.

4. Property Owned by Developer. The Developer shall be exempt from payment of any Annual or Special Assessments for any vacant lots Developer owns. However, if Developer constructs any houses on any lots, Developer will be subject to the same assessments as any other homeowner.

5. Payment of Annual Assessments. The Board shall have the power and authority to determine the payment method for Annual Assessments. Unless provided otherwise by the Board, each Owner shall pay its Annual Assessment on or before the first of April of the year to which said assessment relates, and the Board shall fix the amount of the Annual Assessment and send a notice thereof to each Owner on or before the first of February of each such year. The Board shall have the power and authority to require quarterly or monthly payments of installments of the Annual Assessments from such Owners as the Board deems suitable, or may require all Annual Assessments to be paid on a quarterly or monthly basis, at its determination.

6. Commencement. The eligibility for Annual Assessments for a Lot shall commence upon purchase of the Lot from Developer. Assessments on Lots that first become subject to assessments during a calendar year shall be prorated on a calendar year basis for the remainder of such calendar year.

7. Records of Assessments. The Association shall cause to be maintained in the office of the Association a record of all Lots and Impositions applicable thereto which shall be open to inspection by any Owner. Written notice of any Imposition shall be mailed to every Owner of the Lot subject to assessment. The Association shall, upon demand and payment of a reasonable charge, furnish to any Owner a certificate in writing signed by an officer of the Association setting forth whether the Impositions against the Owner's Lot have been paid, and if not, the amount then due and owing. Absent manifest error, such certificate shall be deemed conclusive evidence to third parties as to the status of Impositions against any Lot within the Development.

8. Creation of Lien and Personal Obligations for Assessments. Each Owner of any Lot shall, by its acceptance of a deed thereof, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and conditions of this Declaration and promises to pay to the Association all Impositions which may be due from an Owner from time to time. All Impositions, together with interest thereon and cost of collection thereof shall be a continuing lien

upon the Lot against which such Impositions is levied as of the effective date of each such Imposition. Each such Imposition, together with such interest thereon and cost of collection therefore as are hereinafter provided, shall also consist of the personal obligation of the Person who was Owner of such Lot at the time when the same fell due. In the event a Lot is owned by more than one Member, all of such Members shall be jointly and severally liable for the entire Imposition then due.

9. Effect of Non-Payment of Imposition. If any Imposition hereunder is not paid upon the due date, or if any similar charge otherwise agreed to be paid by Owners in this Declaration is not paid when due, then such Imposition shall be delinquent and shall accrue interest thereon at the highest rate then permissible under the laws of the State of Tennessee commencing upon the due date. If such Imposition is not paid within thirty (30) days after the due date, then the Association may bring an action at law against the Owner personally, and/or at its option, foreclose the lien against the Lot by court action or trustee sale as hereinafter provided, and there shall be added to the amount of such Imposition, all reasonable attorney's fees and costs incurred by the Association in any such action, and in the event a judgment is obtained, such judgment shall include interest on the Imposition as indicated above.

10. Enforcement of Lien by Trustee's Sale. For and in consideration of the privileges and protection granted in this Declaration, and the mutual enjoyment and use of the Common Areas, and for the express purpose of securing the payment of the Impositions described above, in order to avoid unnecessary court proceedings or delays for the enforcement of the liens described above, each Owner by accepting a deed to a Lot for their heirs, successors and assigns, does hereby transfer and convey unto Judith Johnson, Trustee, her successors and assigns ("Trustee"), each such Lot deeded to such Owner with the appurtenances, estate, title and interest thereto belonging to the Trustee for the following uses in trust:

Each Owner agrees to pay all Impositions provided herein when due and upon demand of said Trustee or the Association, to pay, discharge, or remove any and all liens except a first mortgage or deed of trust lien which may hereafter be placed against said Lot which would adversely affect the lien granted herein, and in case the Trustee or his successors of the Association shall hereafter be required to appear in any court or tribunal to enforce, or defend the title to, or possession of, or costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed and be payable by said Owner upon demand of the Trustee or the Association, and upon failure to do any of these things then said Trustee or Association may do any or all of said things, and the amounts so paid shall bear interest from the date of payment at the highest rate then permitted by the laws of the State of Tennessee and shall be and become a part of the indebtedness secured hereby.

If any Imposition, together with interest thereon, is not paid promptly

when due or within a period of cure allowed above, or if after said Owner fails to pay any other sums due as above provided, or further, fail to reimburse the Trustee or Association within thirty (30) days from the date of the Trustee's or Association's payment of such sums, this trust conveyance shall remain in full force and effect, and the said Trustee or his successor in trust is hereby authorized and empowered, upon giving twenty (20) days' notice by three (3) publications in any daily or weekly newspaper published in Williamson County, Tennessee, to sell said Lot at the front door of the Courthouse in said County to the highest bidder for cash at public outcry, free from the equity of redemption, statutory rights of redemption, homestead, dower, and all other exemptions of any kind which are hereby expressly waived; and the said Trustee or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser at such foreclosure sale. The Association may bid at any sale under this trust conveyance. The Trustee may at any time after default and the payment of any of the above described indebtedness enter and take possession of said Lot and shall only account for the net rents actually received by said Trustee. It is further agreed that in the event the Trustee fails, before selling said Lot as herein provided, to enter and take possession hereof, the purchaser shall be entitled to immediate possession of said Lot upon delivery to him by the Trustee of a deed for said Lot. In case of sale hereunder, the proceeds shall be applied by the Trustee as follows:

- (a) to the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided, together with reasonable attorney's fees for advice or for instituting and defending any litigation which may arise on account of the execution of this conveyance or the enforcement of said lien, together with the expenses and costs of any such litigation,
- (b) to the payment of all taxes which may be unpaid upon said Lot,
- (c) to the payment of all unpaid Impositions herein secured,
- (d) the residue, if any, to be paid to the order of said Owners or their representatives or assigns.

In the event of the death, absence, inability, or refusal to act of said Trustee at any time when action of the foregoing powers and trusts may be authorized, or for any other reason, the lawful owner and holder of said lien is hereby authorized and empowered to name and appoint a successor in trust to execute this trust by an instrument in writing to be recorded in the Register's Office for Williamson County, Tennessee, and title therein conveyed to the above named Trustee shall be vested in said Successor Trustee. The Trustee is authorized to appoint an attorney-in-fact to conduct in his stead and on his behalf and with the same power possessed by said Trustee as granted herein any and all foreclosure sales authorized above.

11. Priority of Lien. The lien described in this Article shall be subordinate to the lien of any Mortgagee under a recorded first mortgage or deed of trust encumbering any such Lot. In the event any Mortgagee becomes the Owner of such Lot after foreclosure thereof, or conveyance by deed in lieu of foreclosure, trustee's deed, or the like, such Mortgagee shall become subject to the lien reserved herein for the purpose of securing all Impositions becoming due from and after the date such Mortgagee accepts a deed to said Lot.

12. Mortgage Protection Clause. No breach of the covenants, conditions, or restrictions herein contained for the enforcement of any lien provisions herein shall defeat or render invalid the lien of any prior mortgage given in good faith and for value, but said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or other judicial sale or in lieu of such of any prior mortgage.

13. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from any liability arising from the claim of any lien claimant or judgment debtor against the lot of any other Owner or of the Common Area. The Association or any affected Owner may enforce this obligation, which includes reasonable costs and attorney fees in the manner of a special assessment or by action at law including all rights granted to the Association under Article V.

ARTICLE VI

ARCHITECTURAL CONTROL COMMITTEE

1. Designation of Committee. The Association shall have an Architectural Control Committee (the "Committee") which shall consist of three Members who shall be natural persons. The Members of the Committee shall be appointed and be subject to removal at any time by the Developer until the termination of the Class B Membership or until 100% of all lots have been sold and homes thereon said lots have been sold and closed to homeowners and thereafter by the Association's Board of Directors. The Committee shall designate an individual as its Secretary, and all communications with the Committee shall be conducted through the Secretary.

2. Approval of Plans and Architectural Review Committee.

(a) No construction, reconstruction, remodeling, alteration or addition to any structure, building, fence, wall, driveway, path or other improvement of any nature on any lot shall be constructed or undertaken without obtaining the prior written approval of the Board of Directors through the Architectural Review Committee appointed by the Board as to the intended location of same and as to its plans and specifications showing the nature, shape, height, materials and such other specifics as may be required including its architectural style. For this purpose, the Board of Directors shall establish an architectural committee composed of three (3) or more Members appointed by the Developer, until the termination of the Class "B" control period, which shall have full authority to review and act upon requests for approvals of such requests. As a prerequisite to consideration for such approval, and prior to the beginning of the contemplated work, the applicant must submit a set of plans and specifications with a written request for their approval. The Architectural Review Committee shall be the sole arbiter of same and may withhold approval for any reason including purely esthetic considerations. In the event the Board, or its designated Architectural Review Committee, fails to approve or disapprove the plans for design and location within forty five (45) days after they have been submitted, approval will not be required and this section will be deemed to have been fully complied with. Upon approval being given, construction shall commence within ninety (90) days thereafter, and shall be processed to completion promptly and in strict compliance with the approved plans; otherwise the approval shall be void. Each Owner acknowledges that the decor, color scheme, landscaping, and design of the property has been selected in such a manner as to be consistent and harmonious with other lots and residences in the Treemont Estates and agrees to maintain and perpetuate the visual harmony of the properties. So long as the Developer owns two or more lots in Treemont Estates, the Committee may establish architectural standards and guidelines in addition to the minimum standards set for in this instrument.

(b) Prior to the formation of the Architectural Review Committee, the Declarant or his successors and assigns shall constitute or may appoint a person or persons to act as the Architectural Committee.

3. Design Criteria. In carrying out the functions of the Committee, and in order to insure uniformity of quality of the Improvements located within the Development, the Committee may prepare, but is not required to, a statement of design criteria which shall be observed in the construction of all Improvements within the Development (the "Design Criteria"). If prepared, the Developer and, after the termination of the Class B Membership, the Association, reserves the right to modify and amend the Design Criteria from time to time as it deems appropriate based upon changes and innovations in construction methods and techniques.

4. Improvement Plans. Any Owner desiring to construct Improvements,

or to modify existing Improvements, upon any Lot shall first have detailed plans prepared for such Improvement (the "Plans"), which shall be prepared by a licensed architect and shall include, as a minimum, the following:

- (a) A plot plan drawn on a scale of one inch equals 100 feet, reflecting the following information:
 - (i) A survey of the Owner's Lot showing the dimensions of the Lot and Lot area, the location of any utilities crossing the lot, and contours of the land drawn at two (2') foot intervals;
 - (ii) The relationship of the proposed Improvement to each side Lot line, to the rear property line and to the front property line;

compliance with the covenants contained herein and further to insure the harmonious and orderly architectural and aesthetic development and improvement of the Lots contained within the Development. Notice is hereby given therefore to any future occupant of any completed Improvement and all invitees, visitors and other persons who may from time to time enter or go on or about such completed Improvements, that no permission or approval granted by the Committee, the Developer or the Association with respect to the construction of Improvements pursuant to this Declaration shall constitute or be construed as an approval of the structural stability of any building, structure or other Improvement and no liability shall accrue to the Developer, the Committee or to the Association in the event that any such construction shall subsequently prove to be defective.

Said ingress and egress easement shall in any event be reasonable and shall not interfere with the construction of Improvements on a Lot nor the use and enjoyment of a Lot by an Owner. Developer reserves a twenty (20') foot easement along the front of each lot and sides of any corner lot for and utilities but Developer specifically reserves the right to go outside said twenty (20') foot easement for the construction of if need be. 3. Easements Over Common Areas. The Plat designates certain areas for roads, utilities, drainage, Common Areas, and recreational areas. The easements so designated on the Plat encumber the Lots as shown on the Plat and are hereby established as perpetual and irrevocable easements. Said easements are granted and reserved for the use and benefit in common of all owners in the Development and their agents, servants,

family members and invitees. No Owner shall have the right to restrict, impede or take any action in any way to prohibit or limit the use in common by all Owners of said easements. However, use of the easements and Common Areas shall be subject to and governed by provision of this Declaration and the by-laws, rules and regulations of the Association.

4. Easements for Utilities. Easements for installation of utilities and drainage facilities are reserved as shown on the recorded Plat and as set forth herein or as required by later amendments. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels and easements.

5. Common Areas. The Common Area shall be conveyed to the Association in fee simple. Each lot and residence is hereby declared to have, subject to the provisions of this Declaration, a non-exclusive easement over all the Common Areas for the benefit of such lot or residence, the Owners of such lot or unit and each of them, and for their respective families, guests, invitees and contract purchasers, for recreation and other appropriate intended purposes and uses and without limiting the generality of the foregoing, for ingress and egress over and through the Common Areas, subject to the right of the Association to adopt reasonable rules and regulations for such use. In furtherance of the establishment of this easement, the individual grant deeds and mortgages to each lot may, but shall not be required to, set forth the foregoing easement. Except as otherwise provided for by this Declaration, the Common Area may be alienated, released, transferred, or otherwise encumbered only with the written approval of all Owners and each holder of a first mortgage on any lot.

6. Association Functions. There is hereby reserved to Declarant, any successor to Declarant, and the Association, or the duly authorized agents, representatives and managers of the Association, such easements as are necessary to perform the duties and obligations of the Association as are set forth in this Declaration and any other Treemont Estates documents.

7. Ingress and Egress. In addition, there is reserved to Declarant for the use and benefit of any adjoining property that has been added as a new section to Treemont Estates or is intended to be added as a new section, a right of ingress and egress over the streets, a right to attach to and use sewer and utility easements and such other easements as may be necessary to develop said property.

8. Covenants Running with Land. Each of the easements provided for in this Declaration shall be deemed to have been established upon the recordation of this Declaration, and shall thenceforth be deemed to be covenants running with the land for

the use and benefit of the lots and units, and Common Areas as the case may be, superior to all other encumbrances applied against or in favor of any portion of the properties which is the subject of this Declaration.

9. Subject to Prior Utility Easements. Notwithstanding anything herein expressed or implied to the contrary, this Declaration shall be subject to all easement heretofore or hereafter granted by Declarant for ingress or egress and for the installation and maintenance of utilities, sewers, television cables, drainage, and similar facilities that are necessary or appropriate for the development of the properties.

10. Utility Easements, Duties and Rights. The rights and duties of the Owners of lots with respect to sanitary sewers and water, electricity, television cables, gas and telephone, shall be governed by the following:

(a) Whenever sanitary sewer house connections and/or water house connections or electricity, television, gas or telephone lines are installed within the properties, which connections or any portion thereof lie in or upon lots owned by others, then the Owners of the lot served by said connections, shall have the right, and are hereby granted, an easement to the full extent necessary therefor, to enter upon said lots or to have the utility company enter upon the lots within the properties in or upon which said connections, or any portion thereof lie, to repair, replace and generally maintain said connections as and when the same may be necessary.

(b) When sanitary sewer house connections and/or water house connections or electricity, television cables, gas or telephone lines are installed within the properties, which connections serve more than one (1) lot, the Owner of each lot served by said connections shall be entitled to full use and enjoyment of such portions of said connections as service his lot.

ARTICLE IX

SALE OR LEASE OF LOTS

1. Sales, Resales and Advertising. No signs shall be permitted on any lot except one, non-illuminated sign advertising the house or lot for sale or rent not exceeding four (4) square feet in size without the prior written approval of the Committee.

ARTICLE X

INSURANCE

1. Casualty Insurance. The Association shall keep all insurable improvements and fixtures on the Common Area insured against loss and damage by fire for the full insurable replacement cost thereof, and shall obtain insurance against such other hazards and casualties as the Association may deem desirable as well as a general liability insurance policy covering all Common Areas with coverage of at least One Million Dollars (\$1,000,000.00) for bodily injury or property damage for any single occurrence as well as coverage for any legal liability that results from lawsuits related to employment contracts in which the Association is a party. All policies shall provide that they may not be cancelled or substantially modified without ten (10) days written notice to all insureds including the mortgagees if any. The Association shall also insure any other property whether real or personal, owned by the Association, against loss or damage by fire or casualty and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. All casualty, liability and fidelity bond coverage shall be in such manner and in such amount as required by the Federal National Mortgage Association (FNMA), and their requirements thereto as set forth in Sections 501-504, FNMA Lending Guide, are adopted herein by reference. Any insurance coverage with respect to the Common Area or otherwise shall be written in the name of, and the proceeds thereof, shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all such insurance carried by the Association are common expenses included in the common assessments made by the Association.

2. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area improvements, the Association shall repair or replace same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the cost of repair or replacement of the property damaged or destroyed, the Association may make a special assessment against all owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such lot Owner.

3. Other Insurance. The Association may also maintain and pay for insurance policies or bonds that are appropriate for the protection and benefit of the Association, Members of the Board and any standing Committee, tenants or guests, including, but without limitations, workers' compensation, malicious mischief, and performance of fidelity bonds.

4. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of property, which may be damaged or destroyed.

5. Hazard, flood, Homeowners and Fire Insurance. Each Owner shall obtain and maintain in effect fire and appropriate damage and physical loss insurance, all in an amount equal to the then current full replacement value of each residence and improvement owned by such Owner, which may be established from time to time by the Board or the Association by resolution. Such additional insurance requirements may be set forth in agreements or other undertakings which the Board or Association may enter into with or for the benefit of holders or insurers of mortgages secured upon portions of the properties.

6. Obligation to Repair and Restore.

(a) Subject only to the rights of an institutional holder of the first mortgage lien on the damaged lot, insurance proceeds from any insurance policy covering a lot shall be first applied to the repair, restoration, or replacement of such residence. Each Owner shall be responsible for the repair, restoration, or replacement of each residence owned by such Owner pursuant to the terms hereof. Any such repair, restoration or replacement shall (subject to advances and changes in construction techniques and materials generally used in such construction and in currently generally accepted design criteria) be generally harmonious with the other Treemont Estates residences, and reconstruction must be consistent with plans approved by the Architectural Committee. Such repair and restoration will be commenced as soon as possible.

(b) If the proceeds of insurance are insufficient to pay for the cost of repair, restoration, or replacement of a residence or improvement, the Owner of such residence shall be responsible for the payment of any such deficiency necessary to complete the repair, restoration or replacement.

7. Association Rights. If any Owner fails to obtain the insurance required in this Article, or fails to pay the premiums therefor when and as required or fails to otherwise perform the obligations of an Owner under this Article, the Association may (but shall not be obligated to in any manner) obtain such insurance, make such payments for any such Owner, and/or perform such obligations, and add the cost of such payments or performance, as a special assessment, to the assessments of such Owner and enforce the payment of the assessment in a like manner as a general assessment.

8. Proof of Insurance. Each Owner shall provide the Association with a

copy of an appropriate insurance policy and a paid receipt thereof, showing that the Owner has proper hazard, fire, flood and homeowner's insurance coverage. Failure to so provide such insurance proof on an annual basis or at such other times as the Association may reasonably require will be construed as a default of the obligations under this Article, and the Association may take whatever reasonable steps it deems necessary, including the procurement of insurance on said residence, with the Owner to be liable for such procurement as set forth above. All such insurance shall contain a provision for the notification of the Treemont Estates Homeowner's Association, and each mortgage holder named in the mortgage clause, at least ten (10) days prior to the cancellation, or substantial change, of coverage. Nothing herein shall be construed so as to require the Association to procure, insure or be a guarantor that insurance is procured or in force on any lot.

9. Notice to First Mortgagees. In the event of substantial damage to or destruction of any part of the Common Elements, the institutional holder of any first deed of trust or mortgage on a lot will be entitled to timely written notice of any such damage or destruction and no provision of any document establishing the Property will entitle the Owner of a lot or other party to priority over such institutional holder with respect to the distribution to such lot of any insurance proceeds.

ARTICLE XI

EXTERIOR MAINTENANCE

1. Maintenance of, repairs to and replacements to the Common Elements shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements to the Common Elements shall be part of the common expenses, subject to the By-Laws, Rules and Regulations of the Association. If, due to the act or neglect of a lot Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements, or to a lot owned by others, or maintenance, repair or replacement are required which would otherwise be a common expense, then such lot Owner shall pay for such damage or such maintenance, repair or replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier or to the extent any such claim raises insurance premiums.

In addition to maintenance responsibility by the Association, The Association shall contract for snow and ice removal of the streets. The contract shall be to remove ice and snow from streets in necessary locations to allow traffic to pass through the community. The Board of Directors of the Treemont Estates Homeowners Association, Inc will determine weather conditions requiring this service.

In addition to the utility and maintenance easements as may appear on the Plat, the authorized representatives of the Association, Board or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the individual lots as may be required in connection with the preservation of any individual lot in the event of an emergency, or in connection with maintenance of, repairs or replacements of the Common Elements or any equipment, facilities or fixtures affecting or serving other lots and the Common Elements or to make any alteration required by any governmental authority.

2. It will be the responsibility of each lot owner to maintain their own mailbox in keeping with the specific design approved by the Developer.

3. Each lot Owner is responsible for all exterior maintenance on his own lot. Each owner shall repair, maintain or replace all exteriors on any building in a good and husbandlike manner. Additionally, all landscaping, plants, shrubs, driveways, walks, yards, sidewalk adjacent to the street, etc., shall be maintained in a neat, orderly condition and in a good state of repair and maintenance. All exterior maintenance, including painting, shall be done in the color, method and design that is suitable and approved by the Architectural Committee. The Architectural Committee can base its decisions solely on esthetic considerations.

ARTICLE XII

ANNEXATION AND/OR ADDITION OF OTHER AREA TO PROPERTY

1. General. Declarant or his successors and assigns, shall be allowed to annex additional property by way of sections to Treemont Estates without the consent of the Association or its Members over any mortgagees or other lien holders; (other than those holding mortgages and liens on the real property being annexed) by the recordation of a supplementary Declaration as provided herein. Upon such annexation, the Association shall take whatever measures are necessary to add such annexed property and lots into the regime on an equal basis with the original property included hereunder.

2. Membership in Association. Upon the recording of any supplementary Declaration, those lot Owners contained therein shall become Members of the Association obtaining all rights due Members of the Association and becoming liable for all assessments and fees as set forth herein and/or in the supplemental Declaration.

3. Common Area. All Common Areas in any annexed property will be deeded to the Association in fee simple to be held in accordance with this Declaration.

ARTICLE XIII
GENERAL PROVISIONS

1. Duration. Each purchaser or subsequent grantee of any interest in any property now or hereafter made subject to this Declaration, by acceptance of a deed or other conveyance therefore, thereby agrees that the covenants and restrictions of this Declaration may be extended as provided in this Article XIII, Section 1.

2. Amendment. The covenants and restrictions contained in this Declaration may be amended unilaterally by the Developer, without joinder of any Owner, for a period of fifteen (15) years from the date hereof. Any such amendment shall not become effective until the instrument evidencing such change has been filed of record. Every purchaser or subsequent grantee of any interest in any property now or hereafter made subject to this Declaration by acceptance of a deed or other conveyance therefore, thereby agrees that the covenants and restrictions of this Declaration may be amended as provided herein.

3. Enforcement. All restrictions herein may be enforced by Developer, its successors and assigns until the termination of the Class B Membership, or by the Association acting by and through its Board, or by the Architectural Review Committee, by proceeding at law or in equity against the Person violating or attempting to violate any covenant or covenants, or by any owner of a lot within Treemont Estates, either to restrain the violation thereof or to recover money damages, together with reasonable attorneys' fees and court costs. Furthermore, after the termination of Developer's Class B Membership in the Association, in the event the Association fails to act to enforce any restriction contained herein, any Owner of any Lot may enforce these restrictions as aforesaid against any other Owner.

4. Partial Invalidity. Any invalidation of any one or more of these restrictions by judgment, court order, or statute, for failure on the part of Developer or its successors or assigns to enforce any of said restrictions, shall in no way affect any of the

other provisions hereof or be deemed as a waiver of the right to enforce such restrictions at any time after the violation thereof. Invalidation of any one or more of these restrictions by judgment or court order shall neither affect any of the other provisions not expressly held to be void nor the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

5. Abatement. In the event that any Owner violates any of the terms or conditions of this Declaration and fails to cure the same within ten (10) days after written notice thereof, then Developer, in addition to any other rights and remedies provided for herein, shall have the express right, privilege and license to enter upon any Lot to take any reasonable action to cure such violation, and all reasonable costs thereof shall be at the expense of the Owner of such Lot and shall be payable upon demand by Developer, including reasonable attorney fees.

6. Notice. All notices required or permitted hereunder shall be in writing and effective when deposited in the U.S. mail, postage prepaid, addressed to any Owner at the address of the Lot owned by such Owner, or addressed to the Developer as follows:

8. Exoneration of Developer. Each Owner of any Lot in the Development, or any other party having an interest in any portion of the Development, expressly agrees that no duty or obligation is imposed upon Developer to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall Developer be subject to any liability of any kind or nature whatsoever resulting out of any claim by any third party asserting that Developer failed to enforce the same.
