Section 1. Insurance. The Board of Directors for the Association, or its duly authorized agent, shall have the authority to and shall obtain insurance for all insurable improvements on the Common Area, against loss or damage by fire or other hazards, including extended coverage, vandalism and

malicious mischief. This insurance shall be in an amount sufficient to cover the full replacement costs of any repair or reconstruction in the event of damage or destruction from any such hazard.

The Board shall also obtain a public liability and hazard/multi-peril policy covering the Common Area, Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million Dollar (\$1,000,000.00) single person limit as respects bodily injury and property damage, a One Million Dollar (\$1,000,000.00) limit per occurrence, and a Five Hundred Thousand Dollar (\$500,000.00) minimum property damage limit.

Premiums for all insurance required by this Article V to be maintained by the Association shall be Common Expenses of the Association and shall be included in the General Assessment, as defined in Article IX, Section 1. The policy or policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in Tennessee and holding a rating of BBB+ or better in the Financial Category as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the more nearly equivalent rating.

(b) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants or their Mortgagees.

(c) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Franklin, Williamson County, Tennessee, area.

(d) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, the Owners and their respective tenants, servants, agents and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

(iii) that no policy may be canceled, invalidated or suspended on account of any one or more individual Owners;

(iv) that no policy may be canceled, invalidated or suspended on account of the conduct of any Director, officer or employee of the Association or its duly authorized agent without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, any Owner or mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that no policy may be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association.

In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds. The Village of Avalon

amount of fidelity coverage shall be determined in the directors' best business judgment, but may not be less than three months' Assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled or substantially modified without at least 30 days' prior written notice to the Association. As set forth in Article XII, Section 3, of this Declaration, the Board shall also obtain, as a Common Expense, a reasonably available amount of Directors and Officers Errors and Omissions insurance.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies on Common Areas shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction to the Common Area or, in the event no repair or construction is made, after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagees as their interest may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Residential Unit and may be enforced by such Mortgagee.

(b) If it is determined, as provided for in Section 3 of this Article, that the damage or destruction to the Common Area for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner as provided for excess proceeds in Section 2(a) hereof.

Section 3. Damage or Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Property covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the costs of repair or reconstruction. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Property to substantially the same condition in which it existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless at a Special Meeting (as defined in the Bylaws) called in accordance with the Bylaws at least 75% of the total eligible vote of the Association shall decide within 60 days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within the 60 day period referenced above, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed 60 days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed. In the event that it should be determined by the Association in the manner described above that the damage or destruction of the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the damaged portions of the Common Area shall be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition and the remaining insurance proceeds shall be delivered pro rata to the Owners of each Residential Unit.

Section 4. Repair and Reconstruction. If the damage or destruction to the Common Areas for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a Special Assessment against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Section 5. Annual Review of Policies. At least annually, the Board shall review all the insurance policies that are required by this Article V to be maintained by the Association in order to ascertain

whether the coverage contained in the policies is sufficient. If the Board deems such coverage to be insufficient, the Board may expand the coverage to the extent it reasonably deems necessary.

ARTICLE VI

No Partition

There shall be no physical partition of the Common Area or any part thereof. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property, which may or may not be subject to this Declaration.

ARTICLE VII

Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of all Owners) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to participate in the proceedings incident thereto, unless otherwise prohibited by law. The award made for such taking shall be payable to the Association as Trustee for all Owners to be disbursed as follows: If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within 60 days after such taking the Declarant and at least 75% of the total eligible vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available therefore, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

ARTICLE VIII

Rights and Obligations of the Association

In addition to the powers delegated to the Association by its Charter, the Association shall have the obligation to perform each of the following duties related to the Property and Common Area:

Said maintenance shall include, but not be limited to, the maintenance obligations set forth in Article IV, Section 1. Section 4. Insurance. To obtain from reputable insurance companies qualified to do business in the State of Tennessee, with a financial rating by Best's Insurance Reports of BBB-I or better, and maintain in force at all times such insurance as is required by this Declaration.

Section 5. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold or other property interests within Williamson County, Tennessee, conveyed to it by the Declarant as permitted herein.

Section 6. Rules and Regulations. The Association, through its Board of Directors or otherwise, may make and enforce reasonable rules and regulations governing the use of the Property, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines, suspension of the right to vote and suspension of the right to use the Common Area. The Board shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. In addition, the Association, through the Board or otherwise, may, by contract or other agreement, enforce city and county ordinances or permit the City of Franklin and Williamson County, Tennessee, to enforce ordinances on the Property for the benefit of the Association and its members.

Section 7. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the Bylaws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Section 8. Restrictions on Sale/Dissolution. The Association shall not be dissolved, nor shall it dispose of any common open spaces or facilities, by sale or otherwise, except to an organization conceived and established to own and maintain the common open space and facilities. Conditions of any such transfer shall continue to conform to the approved site plan.

ARTICLE IX

Assessments

Section 1. General Assessments. The Board may levy general assessments for expenses determined by the Board to benefit the Association and/or the Residential Units as a whole, including, without limitation, expenses incurred by the Association in fulfilling its maintenance obligations set forth in Article IV, Section 1 ("General Assessments"). General Assessments shall be allocated equally among all Residential Units.

Section 2. Assessment Obligation. Each Owner, by acceptance of his or her Deed, is deemed to covenant and agree to pay all Assessments levied by the Association pursuant to this Declaration. A budget for the first year of the Association, including contemplated General Assessments, Special Assessments (as defined below) and a breakdown thereof, is attached hereto as Exhibit C (the "Base Budget"). Each Residential Unit shall be subject to the Assessments set forth in the Base Budget when a certificate of occupancy is obtained on the first Unit lot. The Base Budget year for the Association shall commence January 1, 2006, with Assessments being prorated as of the date of closing of a Unit.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board. The manner of payment fixed by the Board may include, without limitation, acceleration of the Assessment levied on a particular Member on account of delinquent payment of such Assessment or monthly installment thereof. Unless the Board otherwise provides, Annual Assessments shall be paid in monthly installments. In the event a Member does not pay Assessments in such manner and on such dates fixed by

the Board, the Board has the power to lien for collection of said Assessments. The entire Assessment shall be a lien upon the Member from the date that the lien is filed in the Register's Office of Williamson County until such date as the Assessment is paid in full.

Until the first annual meeting of the Membership, the Declarant shall from time to time pay the Association any amounts required to make up any shortfall in the Base Budget, and any subsequent Budget (as defined below), to the extent that such shortfall arises from (a) actual operating costs (including amounts allocated to or drawn from reserve funds) exceeding budgeted operating costs, or (b) budgeted operating costs (including amounts allocated to or drawn from reserve funds) exceeding actual income. To the extent a shortfall arises from subsection (b) of this paragraph and the lack of income results from the failure of a Member to pay Assessments, the Declarant shall not be obligated to make up such shortfall. As long as the Declarant continues to make up the shortfall in the Budget as set forth in this paragraph, notwithstanding any provision to the contrary in this Declaration, the Declarant shall not be obligated to pay any General Assessments imposed on any Residential Units owned by the Declarant.

All Assessments, together with interest at the highest rate allowable under the laws of Tennessee from time to time relating to usury for residential real estate loans (or if no such rate is established, 16% per annum) ("Interest"), costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Residential Unit against which each Assessment is made. Each Assessment, together with Interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Person who was the Owner of such Residential Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Residential Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments which accrued prior to such acquisition of title.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board. The manner of payment fixed by the Board may include, without limitation, acceleration of the Assessment levied on a particular Unit on account of delinquent payment of such Assessment or monthly installment thereof. Unless the Board otherwise provides, Annual Assessments shall be paid in monthly installments.

Assessments cannot be increased more than 25% per annum without a two-thirds majority vote of the Members of the Association

Section 3. Computation of Annual Assessment. It shall be the duty of the Board, at least 60 days before the beginning of the fiscal year and 30 days prior to the meeting at which the budget shall be presented to the Members, to prepare a budget covering the estimated costs of operating the Association during the coming year (the "Operating Budget"). The Operating Budget shall include a capital contribution establishing a reserve fund in accordance with a Capital Budget separately prepared, as more particularly described in Article IX, Section 6, below. The Board shall set Assessments based on the Operating Budget and the Capital Budget, provided that the Board may not increase Assessments more than 25% per annum except as set forth in Article IX, Section 2. The Board shall cause a copy of the Operating Budget, and the amount of each General Assessment to be levied against each Residential Unit for the following year, to be delivered to each Owner at least ten days prior to the meeting. The Operating Budget, together with the Capital Budget and the General Assessments (collectively, the "Budget"), shall become effective unless disapproved at the meeting by a majority vote of the total Association membership.

The Annual Assessment will be allocated to the members on a pro-rata basis based on the number of residential units collectively comprising each Member.

Notwithstanding the foregoing, however, in the event the Members disapprove the proposed Budget or the Board fails for any reason to determine the Budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the Budget in effect for the then current year shall continue for the succeeding year.

Section 4. Special Assessments. In addition to the General Assessments authorized above, the Board may levy, during any calendar year, but in no event prior to the first annual meeting of the Members, special assessments, applicable only to that year, to be used solely to defray, in whole or in part, the cost of any construction, reconstruction or unexpected repair or replacement of a capital improvement, including the necessary fixtures and personal property related thereto ("Special Assessments"). The Board may levy a Special Assessment against all Residential Units for such expenses determined by the Board to benefit the Association and/or the Residential Units as a whole, and may levy a Special Assessment against particular portions of the Property for such expenses as may be determined by the Board to benefit less than the Association as a whole. The Board may also levy a Special Assessment against particular Residential Units to reimburse the Association for costs incurred in maintaining such Units upon failure of the Owner to do so, as set forth in this Declaration. Except for Special Assessments imposed upon particular Residential Units to reimburse the Association for costs incurred in maintaining such Units upon failure of the Owner to do so and except for Special Assessments imposed under Article V, Section 4, and Article XII, Section 5(f), hereof, a Special Assessment must be approved by vote or written consent of (a) 67% of the Members in the Association ; or (b) 67% of the Unit Owners directly affected or benefited by the Special Assessment, in the opinion of the Board, if less than all of the Owners are benefited.

Section 5. Lien for Assessments. To secure the payment of any Assessment and/or fine imposed by the Association pursuant to Article VIII, Section 6, of this Declaration (each such fine, a "Fine"), a lien is expressly retained in favor of the Association on each and every Residential Unit in the Association. Such lien shall be prior and superior to all other liens, except all taxes, bonds, assessments, first mortgage liens and other levies, which by law would be superior thereto.

If each Owner shall pay his Assessments and/or Fines when due, then this lien shall be of no further force or effect with respect to such Owner's Residential Unit. If the Assessments and Fines with respect to any Residential Unit are not paid promptly when due, this lien shall remain in full force and effect, and the Association's Board of Directors is hereby authorized to institute suit to collect such amounts and to foreclose its lien..

The Association, acting on behalf of the Owners, shall have the power to bid for the Residential Unit at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. Any funds required for purchase of a Unit at foreclosure shall be assessed as a Special Assessment, subject to all of the requirements in Article IX, Section 4, hereof. With respect to any Residential Unit owned by the Association following foreclosure; (1) no right to vote shall be exercised on behalf of the foreclosed Residential Unit; (2) no Assessment shall be assessed or levied on the foreclosed Residential Unit; and (3) each other Residential Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessment that would have been charged such Residential Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may temporarily suspend the voting rights of a Member who is in default of payment of any Assessment or any installment payment thereof after notice and hearing.

Nothing in this Section shall preclude the Association from recording and enforcing its lien without exercising its rights arising from the foregoing.

Section 6. Capital Budget and Contribution. As noted in Article IX, Section 3, above, the Board of Directors shall annually prepare a Capital Budget that shall take into account the number and nature of replaceable assets, the expected life of each asset and the expected repair or replacement cost. The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the Capital Budget, with respect both to amount and timing by Assessments over the period of the Budget. The capital contribution required shall be fixed by the Board and included within the Operating Budget and Assessment, as provided in Section 3 of this Article.

Section 7. Certificate of Payment. The Board shall, upon request and for a reasonable charge not to

exceed \$25.00, furnish to any Person a certificate, signed by an officer of the Association, setting forth whether or not all Assessments, whether General or Special, on a specified Residential Unit have been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8. Changing Needs. The Association shall be able to adjust assessments in order to meeting changing needs.

ARTICLE X

Architectural Standards

In addition to obtaining the approval of the SARB (as defined below), all dwellings constructed on Residential Units shall be constructed in accordance with the following City Requirements:

The Board may disapprove such a trade or business in the event that it determines that the trade or business would have a negative impact on the Property, including, without limitation, creating problems related to traffic, parking or security. In determining whether to approve a trade or business conducted in a Residential Unit, the Board shall be provided with detailed information on (i) the type of trade or business and (ii) the activities related thereto that could potentially affect the Property. In the event that the Board approves a certain trade or business (the "Approved Use"), then so long as the activities related to that Approved Use do not materially change from the activities described to and approved by the Board, then the Board (whether or not the composition of the Board changes) shall not

have the right to disapprove the Approved Use after the date of the original approval.

(r) Compliance with Law. The Association and each Owner shall promptly comply with all laws, statutes, ordinances, rules and regulations of federal, state or municipal governments or authorities applicable to use, occupancy, construction and maintenance of any improvements upon the Residential Units.

ARTICLE XII

General Provisions

Section 1. Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association or the owner of any of the Property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of 30 years from the date this Declaration is recorded. After the initial 30 year term has expired, the term of this Declaration shall be automatically extended for successive periods of ten years, unless an instrument in writing, signed by 67% of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same.

Section 2. Amendment. This Declaration may be amended by a 75% affirmative vote of the Members of the Association. Any amendment shall not become effective until recorded in the Register's Office of Williamson County, Tennessee.

Section 3. Indemnification. The Association shall indemnify its officers and directors against any and all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon any officer or director in connection with any action, suit or other controversy or proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party, or may become involved, by reason of being or having been an officer or director of the Association. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The

Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 4. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws of the Association, his or her right of enjoyment to the Common Area and facilities to the members of his or her family, tenants and social invitees, subject to such rules and regulations as the Board of Directors may adopt.

Section 5. Easements for Utilities, Etc.

(a) There are hereby reserved to the Declarant and granted to the Association blanket easements upon, across, over and under all of the Property for ingress, egress, installation, replacing, repairing and maintaining security and similar systems, irrigation systems, walkways and all utilities, including, but not limited to, water, sewers, telephones, gas and electricity. The Board shall, upon written request, grant such easements as may be reasonably necessary for the development, maintenance or alteration of any portion of the Property.

(b) Declarant hereby reserves unto itself and the Association, or their duly authorized agents and representatives, such easements as are necessary to perform the duties and obligations of the Association as set forth in this Declaration, Bylaws and Association Rules.

(c) Notwithstanding anything herein to the contrary, this Declaration and the conveyance of each Residential Unit shall be subject to all easements, licenses or permits heretofore or hereafter granted by Declarant or by the Board for the installation and maintenance of utilities and drainage facilities necessary for the development of the Property.

(d) Whenever sanitary sewer connections, water connections or electricity, gas or telephone lines are installed within the Property, which connections or any portion thereof lie in or upon the Common Area or Residential Units owned by Owners other than the Owners of the Residential Units served by said connections, the Owner of each Residential Unit served by said connections shall have the right, and hereby is granted an easement to the full extent necessary therefore, to enter upon or have the utility companies enter upon the Residential Unit or Common Area upon which said connections, or any portion thereof, lie for the purpose of repairing, replacing and generally maintaining said connections as and when the same may be necessary.

(e) Whenever sanitary sewer connections, water connections or electricity, gas or telephone lines are installed within the Property, which connections serve more than one Residential Unit, the owner of each Residential Unit served by said connections shall be entitled to full use and enjoyment of such portions of said connections as serve his Residential Unit.

(f) In the event of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, then upon the written request to the Association of any one of such Owners, the matter shall be submitted to the Board, which shall decide the dispute and make a Special Assessment against any or all of the Owners involved, which Special Assessment shall be collected and enforced in the manner provided by Article IX of this Declaration.

(g) Each of the easements provided for in this Declaration shall be deemed established upon the recordation of this Declaration and thenceforth shall be deemed covenants running with the land for the use and benefit of the Residential Units and the Common Area, as the case may be, superior to all other encumbrances applied against or in favor of any portion of the Property. In furtherance of the easements provided for in this Declaration, the individual deeds to Residential Units may, but shall not be required to, set forth said easements.

Section 6. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect. Each covenant and restriction shall be enforced to the fullest extent permitted by law.

Section 7. Right of Entry. The Association shall have the right to enter into any Residential Unit for emergency, security and safety, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers and all policemen, firemen, ambulance personnel and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. It is intended that this right of entry shall include the right of the Association to enter a Residential Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board. The Board may levy a Special Assessment against such Owner equal to the cost and expense incurred by the Association in curing such condition.

Section 8. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XIII

Regulation by the City of Franklin, Tennessee

Each Owner hereby agrees that the City of Franklin, Tennessee, is authorized and empowered to require the Association and each Owner, jointly and/or severally, to provide for the orderly maintenance and upkeep of the Common Area. In the event that the City, or any agent thereof, determines that the Common Area is being maintained in a manner which is dangerous or detrimental to the health, safety and welfare of the community, pursuant to the provisions of the Franklin Municipal Charter and Code, the City and its agents, may upon thirty (30) days' notice to the Association enter upon the Common Area and make any repairs or improvements to the Common Area which the City and its agents deem necessary to remedy such conditions. Thereafter, the Association and each Owner shall be obligated to pay to the City its costs for all improvements, work and/or labor supplied or furnished to the Common Area. The obligation to pay said costs shall be a personal obligation of the Association and each Owner, jointly and severally. All such costs shall be paid to the City within five days of receipt from the City of a statement for such costs, which receipt shall be required to be served upon the President of the Association only. All Owners hereby waive notice of receipt of said statement for such costs. In order to secure payment at and after the due date, there shall arise a continuing lien and charge against each lot in favor of the City, the amount of which shall include costs and reasonable attorneys' fees to the extent permissible by law. The City may bring an action at law against the Association and/or any Owner, or foreclose the lien against any property owned by any Owner. However, it is understood that any such lien in favor of the City shall be subordinate to the lien of any deed of trust placed upon the property for the purpose of securing indebtedness incurred to purchase or improve such property. Neither the Association nor any Owner may waive or otherwise escape liability for the cost incurred by the City as described herein.

Unless otherwise herein to the contrary expressly provided, all capitalized terms used but not defined herein shall be deemed to have those meanings assigned thereto in the Declaration of Covenants, Conditions, and Restrictions for The Village of Avalon of record in Book 4973 page 2653 Register's Office for Williamson County, Tennessee (the "Declaration").

Article II — Offices

The principal office of the Association shall be located in 5120 Virginia Way, Suite B-11, Brentwood, Tennessee, 37027. Article III — Association Membership and Purpose.

3.01 Membership. Every Owner of a Residential Unit shall be deemed to have a membership in the Association. Membership shall be appurtenant to and may not be separated from ownership of any Residential Unit, and the ownership of a Residential Unit shall be the sole qualification for such membership. In the event that legal and equitable fee title to a Residential Unit is transferred or otherwise conveyed, that membership in the Association which is appurtenant thereto shall automatically pass to such transferee, notwithstanding any failure of the transferor to endorse to his transferee any certificates or other evidences of such membership. The foregoing is not intended to include Mortgagees or any other persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate or otherwise affect an Owner's membership in the Association. Notwithstanding any of the foregoing to the contrary, no Owner, whether one or more persons, shall have more than one membership per Residential Unit. In the event of multiple Owners of a Residential Unit, votes and rights of use and enjoyment shall be as provided herein. When more than one person holds an interest in any Residential Unit, the vote for such Residential Unit shall be exercised as those Owners of such Residential Unit themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advisement, the vote appurtenant to such Residential Unit shall be suspended in the event more than one person seeks to exercise it. The voting weight appurtenant to each Residential Unit is equal and each Residential shall have one vote. 3.02 Purpose of the Association. The Association is formed to own the common area of The Village of Avalon, provided for the maintenance, control and preservation of The Village of Avalon and promote the health, safety and welfare of the Owners of the Residential Units in The Village of Avalon.

With respect to annual meetings, the presence of members or proxies

entitled to cast over fifty percent (50%) of all the votes of the Association shall constitute a quorum. In the event of the absence of a quorum at such meeting, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be the presence in person or by proxy of members having one-third (1/3) of the total votes of the Association. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. The Board shall call the annual meeting of the Association for a date and place during the month of November or December of each year. 4.02 Special Meetings. Special meetings of the Members may be called by the President, a majority vote of the Board of Directors, or by written request of fifteen (15%) percent or more of the members entitled to vote. 4.03 Informal Action. Any action required by law to be taken at a meeting of the Members, or any action that may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the Members entitled to vote with respect to the subject matter thereof.

If sent via facsimile, such notice shall be deemed delivered when the sender obtains a printed report indicating that the transmission was successful and said report reflects the facsimile number, date, and time of the recipient.

Any Director may waive notice of any meeting. The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. The business to be transacted at the meeting need not be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these Bylaws.

If the Board of Directors changes the place, date or time of a regular meeting, notice of such action

shall be given to each Director who was not present at the meeting at which such action was taken. A majority vote of the Directors represented at a meeting at which a quorum is present shall constitute the decision of the Board of Directors.
