Animal dung must be picked up and sealed in plastic bags and disposed of properly. Resident's violating this rule will be warned once and if the resident does not heed the warning, a \$10.00 fine will be assessed. Continued abuse of this policy will result in The Association's attorney pursuing legal action. As a matter of courtesy, please do not allow your pet to relieve itself in another owner's yard.

## **CHILDREN PLAYING IN THE STREET**

For safety reasons, children are prohibited from playing in the street. Parents are advised to supervise their children's play in the open grassy areas of Andover.

## **GARAGE DOORS**

Since all garage doors are in the front, they must be kept closed at all times, except when being opened temporarily for vehicles to enter or exit or when the Unit's occupants are doing outside work and are readily available.

## **GARBAGE CANS**

After garbage pickup, garbage cans are to be stored out of sight from streets and adjoining neighbors. Residents failing to store their cans will be assessed a \$20.00 fee for each occurrence.

## **LEASING/RENTALS**

The Townhomes of Andover are designed as an owned, single family community. Units may be leased and or rented to families without a surcharge. A \$25.00 surcharge per month is assessed to all units with 1-2 unrelated individuals. A \$50.00 surcharge per month is assessed to all units with 3-4 unrelated individuals – the maximum number of unrelated individuals allowed. A copy of the lease on any unit rented and/or leased must be forwarded to Westwood Property Management (109 International Dr. Ste 220) The lease must include the names of all the occupants and phone numbers. The list must be kept current with any change of occupancy. NO short-term rentals are allowed in the HOA. The minimum time frame to rent/lease a unit is 6 months. Failure to comply with this policy will

result in the owner being responsible for all repairs to the unit and possible legal action.

### **COMMERCIAL USE OF CONDOS**

The Townhomes of Andover are designed as an owned, single family community. Commercial use, i.e. AIR B&B, of a condo is strictly prohibited. Legal action and heavy fines will be taken for owners violating this policy.

### **PARKING**

1. **NO parking is permitted on Huffine Manor at any time.** The Fire Marshall, City of Franklin, has designated Huffine Manor as a FIRE LANE. Vehicles parked on Huffine Manor Circle will be towed.
2. Units within Town homes of Andover community are allowed only two (2) parking spaces for resident's vehicles. The two parking spaces are: (1) in the garage and (2) in the driveway. Some units have enough space to park two vehicles in the driveway, which is permitted as long as the vehicle is not blocking the sidewalk. No parking is permitted on sidewalks or the grass. Vehicles violating this rule will be towed.
3. Extra parking spaces (spaces in front/side and in the circle) at Town homes of Andover are primarily for visitors/guests. However, the Board acknowledges the limited parking available at Andover and allows tenants to use these extra spaces on a first come- first serve basis. This parking is restricted to overnight parking and is not to be used to permanently park any vehicles. Extended parking of vehicles prevents other guests/visitors from utilizing these extra spaces. Vehicles violating this policy will be towed.
4. Overflow and extended parking is allowed on Stanwick Drive at any time.
5. Commercial vehicles, tractors, mobile homes, recreational vehicles, trailers, campers, camper trailers, boats and boat trailers or any watercraft shall not be parked or stored outside any unit.

Vehicles on the property shall be properly licensed, and maintained in condition for operation on the public streets.  
The Board has instructed Westwood Property Management to tow vehicles

that violate or abuse any parking policy. If your vehicle is towed, please contact: **Harpeth Towing and Recovery, 1124 Murfreesboro Rd, Franklin, TN 37064, (615) 591-7445.** All towing and impound fees are the responsibility of the owner of the vehicle being towed.
